Oakville Ruritan Club Visits Virginia Fibre Corp.

The Oakville Ruritan Club toured the Virginia Fibre Corporation Pulp and Paper Mill on May 3, 1979. The tour was conducted by Bill Slagle who is the head of industrial relations for the plant. The club returned to Oakville School after the tour where Mr. Slagle answered questions pertaining to the mill.

Virginia Fibre produces a brown paper which is used in the manufature of corrugated boxes. Production usually exceeds five hundred tons per day. The mill purchases hardwood roundwood from the surrounding area which is used in the pulping process.
